thinking
straight*

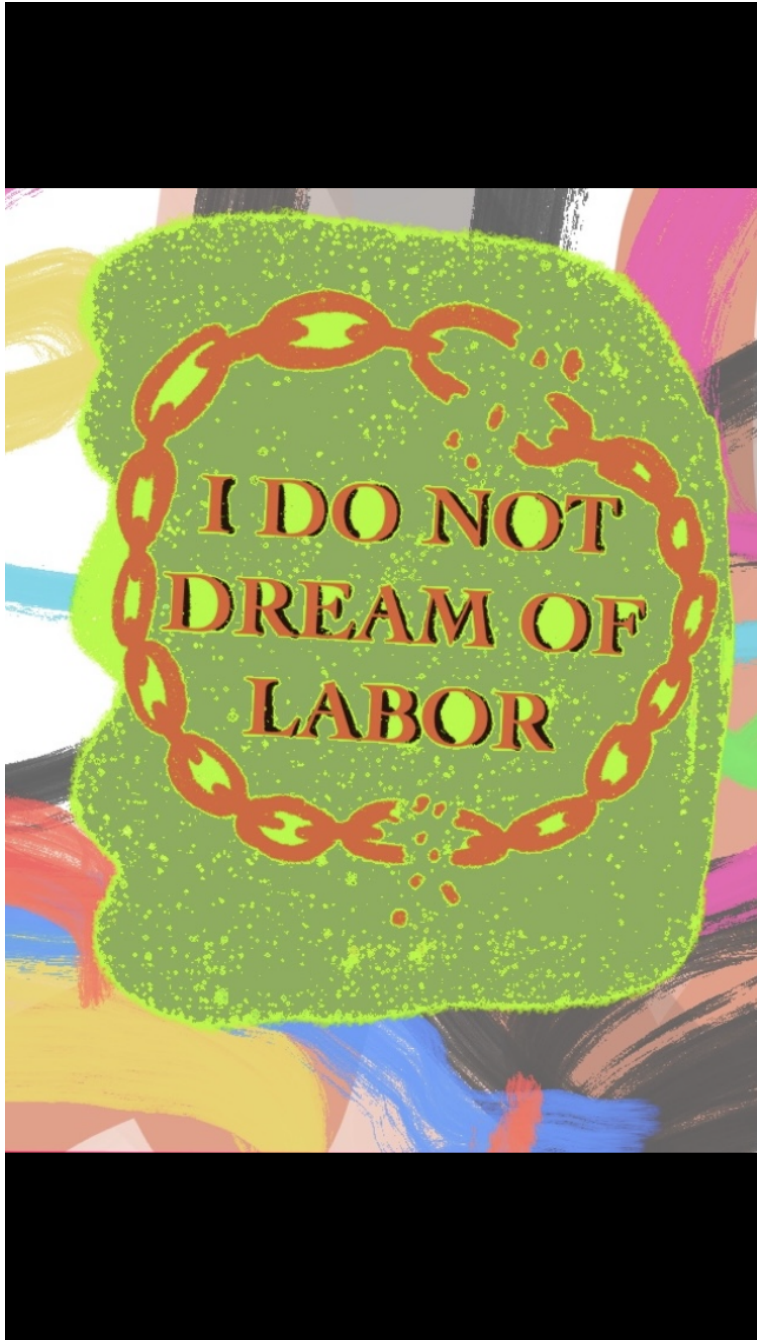

The image features a central pink oval with a red border, set against a background of abstract, colorful brushstrokes in shades of blue, yellow, green, and black. The text is centered within the oval.

“No thanks.”

The last thing I
need today is
c o n t e n t.
In other words...

Fuck off.

I DO NOT
DREAM OF
LABOR

Does this
hurt your
eyes?

How bout
now?

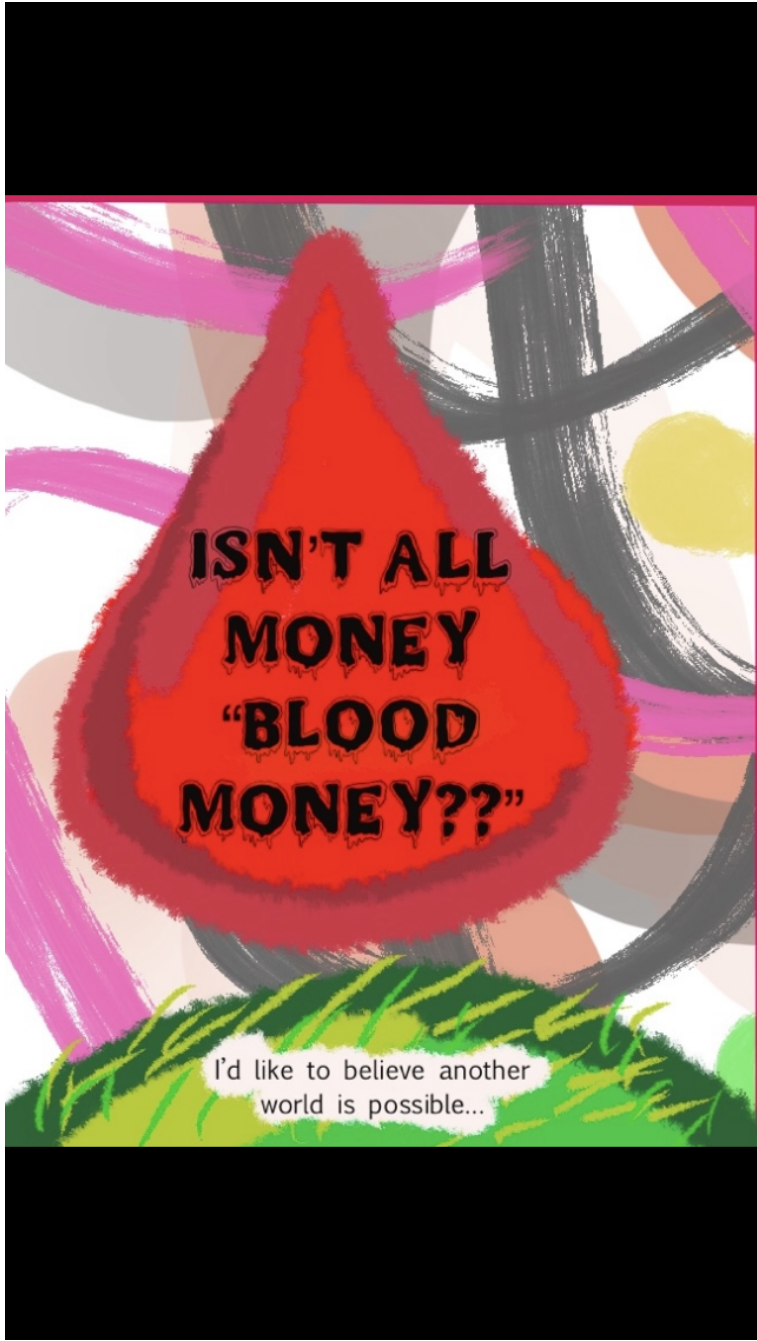

This is a serious
page. No jokes.

My literal
favorite pizza
has:

Anchovies, tiny pepperonis, vegan cheese,
mozzarella cheese, red sauce, pineapple, red
onions, mushrooms, green peppers,
jalapeños, tomato, and red pepper flakes
and Parmesan and ranch and dark forces
beyond human comprehension.

**ISN'T ALL
MONEY
"BLOOD
MONEY??"**

I'd like to believe another
world is possible...

more or less my old drawing
style before I went to
art school and got ruined.
